On September 24, 2024, the Arizona Swimming Technical Committee met to discuss the 2025 LSC Championship Calendar for LC and the Time Standards for all levels of LSC meets.

In attendance:

Tyler Fox (Chair)
Joe Zemaitis (General Chair)
Mike Chasson (Senior Chair)
Meg Zajdzinski (Age Group Chair)
Porter Olstad (Coaches Rep)
Ezmee Jones (Athlete Rep)
Darian Townsend (Coach Member)
Matt Brauer (Coach Member)

In unanimous decision, the committee selected the following dates as host dates for the 2025 LC AZSI Championship Meets:

June 26-29: Senior State.
July 11-13: Regionals.
July 17-20: Age Group State.

The committee intends for the bid portal to open within a week for a two week period allowing teams to submit bids for these LSC meets and all LC meets for the 2025 season.

The committee also held a lengthy discussion on whether to extend, adjust, or redo the Arizona Swimming time standards. After a lengthy discussion, it was decided the Age Group Committee would meet to discuss whether to pursue an extension of the 12&U Bonus Cut program or to consider new time standards. Given this, the current time standards were left unchanged.

The committee will follow up on Age Group's discussion when it meets to award the LSC Championship Meets in the next month.
